

Join the Van Nuys Airport Association!

VNAA is the most influential organization representing both aviation and non-aviation tenants at Van Nuys Airport. Collectively, we serve as a strong, credible voice for the more than 200 businesses and 5,800 employees who call Van Nuys Airport home.

MEMBERSHIP BENEFITS

INFORMATION AND INSIGHT

VNAA membership allows you to keep updated on the latest news, activities and policies affecting your business and operations. Members receive:

- Briefings and alerts on current Van Nuys Airport projects and issues, such as airfield construction, runway and taxiway closures, rental rates and leasing policy, and safety and security initiatives.

A STRONG VOICE

VNAA serves as liaison to key stakeholders, including Los Angeles World Airports management and staff, business and community leaders, public officials and the news media. Members participate in:

- Briefings with key stakeholders focused on the critical issues affecting Van Nuys Airport
- Advocacy efforts on behalf of airport businesses through ongoing communication and visits with top decision-makers

COMMUNITY AND STAKEHOLDER OUTREACH

VNAA works to educate the public about Van Nuys Airport's vital role in the nation's air transportation system, and many economic and community benefits through:

- Developing mentoring and educational opportunities for local youth
- Partnering with economic development and aviation industry organizations
- Showcasing Van Nuys Airport's leadership in safety, security, and sustainability
- Creating programs to open the doors of the airport to the community

RETURN ON INVESTMENT

As your liaison and voice in the community, VNAA offers members the opportunity to gain value through:

- Pooling knowledge and resources
- Supporting local and regional aviation/airport priorities
- Harnessing collective power and influence
